recruitment of hands to the grade of Accountants in the Comptroller's office (available in the file) it will be seen that the vacancies of Accountants are not being made available for direct recruitment, but are being filled up by promotion of Clerks in the lower grade viz Rs 30-3-60-2½-65, throwing open the latter class of vacancies for direct recruitment. There appears to be no specific Govt Order authorising the filling up of the vacancies of Accountants entirely by promotion without making any of them available for direct recruitment. The Chief Conservator requests that he may also be permitted to follow the similar procedure in filling up of the vacancies of Accountants in his Department.

The minimum pay of the Clerical appointments that are thrown open for direct recruitment in the establishment of the Comptroller's Office is Rs 30 in grade Rs 30-3-60-2½-65. and a pass in the S.S.L.C. exam^n is prescribed as a qualification for these vacancies as per existing rules of recruitment. But the Chief Conservator of Forests while proposing to throw open the clerical appointments in grade Rs 25-2-45 for

NOTE—Contd. Sheet

direct recruitment suggests that he may be permitted to fix Rs 35/- as the minimum pay in grade Rs 25-2-45 and prescribe a Degree of the University as a qualification for the same. The question of giving a stage pay in the grade as an initial pay has to be noted upon in the Financial Branch. If this question is approved, the C. R. B aspect of the question viz the fixing up of the qualifications for the vacancies comes up. Under the rules, a pass in the S. S. L. C examination is the prescribed qualification for posts carrying a pay ranging from Rs 25 to Rs 40. As the pay of Rs 35/- has to be taken as an initial pay in the grade Rs 25-2-45, in the case of the clerical appointments in question, a pass in the S. S. L. C. exam^n only will be the prescribed qualification. But the Chief Conservator suggests that a Degree of the University be prescribed as a qualification. Neither the initial pay, nor the grade appear to be attractive for Graduates to apply for these vacancies. In all other offices except perhaps the Secretariat, Graduates are under the rules appointed on a pay of Rs 50 and upwards.

Class I of appointments carrying a pay of Rs 50 & above

to test the capacity of the candidate it may be
feasible to consider the proposal
There is, however, another aspect of the question
owing to the limited nature of the departmental
vacancies, when the Comptroller's office men
are available with some experience after
having passed the examinations prescribed,
whether in some special cases men might
be drafted to the Forest Dept as in the
case of the P. W. D. without creating a
separate cadre for the Forest Dept is also
for consideration. This an arrangement
will, perhaps, be less costly in the
long run. The difficulty of the divergent
grades might be met by drafting junior
men of the clerical grades in the Comptroller's
office who have passed the accountants'
Examination

Recommendation of the Chief Conservator of Forests to fill up the vacancies in the grade of Accountants in the Forest Department by promotion of those already in the Department and to throw open for direct recruitment vacancies of --- clerks on Rs 25-2-45 prescribing a degree of the University as the qualification for the recruits who will be started on a pay of Rs 35/- per mensem in the cadre.

Resolution.-

The proposal may be accepted with the proviso (agreed to by the Chief Conservator of Forests) that when a vacancy of Accountant, which is to be ordinarily filled up by direct recruitment, is filled up as now proposed by promotion from the lower rank clerks, a graduate appointed in the vacancy thereby caused in the grade of clerk will be entitled to preference to his seniors ~~with~~ in lower grade in filling up vacancies in the Accountants grade that may occur in future if he qualifies himself by passing the Accounts (Higher) and departmental examinations. This condition should also be notified in the Gazette while advertising such vacancies. This scheme may be tried for a period of two years in the first instance.

The question of prescribing C.D.A. or other suitable qualifications for the Accountant's vacancyes may also be examined

MYSORE FOREST DEPARTMENT.

OFFICE OF THE CHIEF CONSERVATOR OF FORESTS IN MYSORE.

No. E. 203-909-30

Dated, Bangalore, 21/1/1930.

FROM

B. V. RAMIENGAR, ESQ., B.A.,
Chief Conservator of Forests in Mysore,
Bangalore.

TO

R. Ranga Rao, Esqr., B.A., B.L.,
Offg. Chief Secretary to the Government
of Mysore, Bangalore.

Sir,

Adverting to your letter No.G.3862/Ft.102-28-2 dated 19th September 1928 conveying the orders of Government that my proposal to fill up vacancies in the grade of Accountants on Rs.50-4-90 by promotion cannot be sanctioned, I have the honour to state that in the immediate future, there are going to be some vacancies in the grade of Accountants. Men to be recruited as per the recruitment rules will be quite raw and they cannot as such be posted to the responsible charge of Accountant's work, the three months' training contemplated in Government Order No.E.2588-638/C.R.B.7-25-2 dated 19-11-1925 being surely not sufficient to make them fit to cope with the duties of Accountants satisfactorily. The work of un-qualified men as Accountants has not been satisfactory as gleaned from the Inspection Notes of my Accounts Assistant and it is therefore necessary in the interests of efficiency to post as Accountants only qualified men in the Department with sufficient experience of the initial accounts and otherwise satisfactory. I understand that on this principle, the vacancies in the grade of Accountants in the Comptroller's Office are permitted to be filled up as a rule by selecting qualified men from among those in the clerical grade and the consequential vacancies, by the recruitment of men with University qualifications starting them on some intermediate stage in the latter grade. I beg to recommend that on the same analogy, vacancies in the grade of Accountants in the Department, may be kindly

allowed to be filled up by the promotion of those already in the Department.

2. The vacancies thus created will have to be filled up by fresh recruitment. The minimum pay of the Clerical appointments being Rs.25/- men with suitable educational qualifications will not be forth-coming. With a view to overcome this difficulty, I beg to recommend that the initial pay to be given to recruits in these vacancies may be fixed at Rs.35/- in grade Rs.25-2-45, and their qualification prescribed as a degree of the Mysore or other recognised University, for practically the same reasons for which a similar arrangement appears to have been allowed in the case of the Audit Office as already stated.

I have the honour to be,

Sir,

Your most obedient servant,

Chief Conservator of Forests.

Chief Conservator of Forests.

RULES REGULATING PROMOTION, ACTING AND SUBSTANTIVE, IN THE SEVERAL GRADES.

Old office hands permanently appointed to the Subordinate Accounts Service as per allocation sanctioned by Government in Order No. Fl. 2731—G. F. 92-17-11 of 10th December 1918, are not required to pass the examination prescribed for that service. Future promotion, acting or substantive, to the service will be restricted to persons passing the Subordinate Accounts Service Examination. The examination prescribed for Accountants should be passed by the men now selected for Accountants' places to make them eligible for promotion in the grade of Accountants, but exemption may be granted in favour of Permanent Accountants of over forty years of age from passing the examination. Men who are granted exemption will not be superseded by passed men for grade to grade promotion if their work as Accountants is satisfactory.

2. The following rules prescribed in G. O. No. Fl. 3476—G. F. 7-23-61, dated 28th December 1923, will be followed in making appointments to the grade of Superintendents in the Comptroller's Office and in regulating the relative seniority of officers for promotion to the said grade.

Officers Recruited direct to the Subordinate Account Service as Probationers.

(1) If these officers qualify within two years of their appointment (*i.e.*, not later than the second Subordinate Accounts Service Examination held after they join the service excluding the first examination held within six months of the date of their joining the office), they shall have a prior claim to promotion to the Subordinate Accounts Service and may be confirmed in vacancies reserved for them.

(2) If they do not qualify within the prescribed period, they cannot have the benefit of reserved vacancies and if they are retained in service after the said period of two years, the question of their confirmation will be considered along with others who are also qualified for permanent appointment as Superintendents.

Officers exempted from passing the Subordinate Accounts Service Examination.

(3) For the purpose of confirmation in the grade of Superintendents, these officers may be considered as having passed the Subordinate Accounts Service Examination on the dates of the orders of exemption, their claim to promotion being determined by their position in the cadre of Accountants on the date of filling up a vacancy.

(4) Exemptions from passing the Subordinate Account Service Examination should not be considered as passport for promotion to the higher grades of Superintendents. Promotion from one grade to another of Superintendents should be regulated on grounds of merit in the case of even passed officers. In the case of exempted men, this point requires particular attention and stricter scrutiny. As in the case of exemption itself, every recommendation for promotion from one grade to another should be based on grounds of special merit.

(5) Accountants who qualify themselves at any one of three consecutive examinations from the date of this order or from the date of their eligibility to appear for the examination may be allowed the benefit of promotion to the Subordinate Accounts Service based upon their position in the list of Accountants. In the case, however, of those who though eligible to appear in 1919 or 1920, have not sat for the examination at all, the chances will be limited to two, so far as the guarantee of seniority for promotion is concerned.

(6) Those who do not pass at either of the three chances and are allowed a further chance should not be permitted promotion to the Subordinate Accounts Service based upon their position in the list of Accountants. Their juniors who pass the examination at one of the three chances should be allowed priority of promotion to the Subordinate Accounts Service.

(7) Accountants who pass the Subordinate Accounts Service Examination at a chance beyond the third may be

given the benefit of vacancies available after satisfying all those who have passed the examination at any one of the three chances normally open to them.

3. No official should in future be permanently appointed to the grade of Accountants, unless he has passed the examinations prescribed for that service.

4.
